

Fig 9. Rate of the farm households that include family members engaging in farming and forestry in their 20's and 30's years old
Data : 2000 Census of Agriculture & forestry

Figure 9 is a map of Japan showing the rate of farm households that include family members engaging in farming and forestry in their 20's and 30's years old, based on the 2000 Census of Agriculture and Forestry. The map displays the distribution of this rate across Japan, categorized by percentage. The legend indicates five categories: 8% and over (red), 7-8% (pink), 6-7% (yellow), 5-6% (green), and 4-5% (cyan). A scale bar indicates 0 to 200 km, and a north arrow is present. An inset map shows the entire Japanese archipelago, with the main map focusing on the main islands.
